# We got you

**shaw trust**

future  
projects

**Working Well Norfolk supports people living with a long-term health condition or other disadvantage who find it difficult to find, start, or stay in work.**

## **Recruitment**

We offer:

- A free job-matching service – we will match you to motivated individuals from a wide talent pool.
- Help you with recruitment including personalised support and arranging interviews.
- Access to longer-term career development
- Support for you and your new employee as they start and settle into their new role

**We'll help you find the right people for your business from our pool of talented and motivated individuals. We can also work with you to support employees who are absent from work or struggling in their role.**

## Retention

We can support existing employees if they are struggling in the workplace due to their health condition, disability or other challenges. Saving you the cost and time of having to go out to recruit again.

### **We will:**

- Offer practical help to overcome any challenges, improving productivity and job satisfaction
- Support employees who are absent to transition back into work
- Give advice on workplace adaptations and wellbeing
- Help you create an inclusive workforce - including becoming a Disability Confident employer
